

# GREEN IS OUR COLOR

**YouFit** is dedicated to being the most energy efficient and environmentally friendly health club in the nation!

-  YouFit recycles all plastic bottles in our clubs
-  We only use the highest efficiency air conditioners
-  We use energy efficient tankless hot water heaters
-  Our walls are poly seal insulated for greatest efficiency
-  Lighting is all high output, low heat and energy efficient
-  We use bathroom air dryers to eliminate paper towels
-  Club floors are made from recycled tires

Please join us in our effort to lower our impact on the environment.
